NEWS OF THE DAY.

Through the kindness of Lieut.-Col. Hamilton and Officers, the band of the R.O.Y.L.L. will play at the Zoroastrian Club this evening from 7.30 to 9.30 p.m.

We would draw our sporting readers attention to the boxing bouts to-night at the Empire Theatre between Blackmore of Australia and Seaman Grant. The contest promises to be very well worth seeing.

On Sunday, Dec. 3rd, special sermons will be preached in St. John's Cathedral in aid of the Hongkong Church-Missionary Association. The Bishop of Victoria will preach at Matins and the Rev. A. D. Stewart will be the preacher at Evensong.

Police court proceedings are going on in Colombo against Mr. R. H. Williams, formerly manager of the Ceylon branch of Messrs. Dodwell and Co., Ltd. The amount involved is Rs. 688,877.25, and arose through rubber transactions. Accused in to be bailed out in the sum of three lacs.

The Director of the Plague Laboratory at the All India Sanitary Conference held in Bombay last month, in a paper on plague, said that owing to the fertility of rats the best way of attacking them was by diminishing the food-supply and destroying the breeding places, rather than by slaughter. Experiments showed that in the course of successive epidemics a race of rats immune to plague was evolved. An exhaustive experiment with curative serum had proved ineffective.

The Governor-in-Council has issued a regulation under the Arms and Ammunition Ordinance declaring the following articles to be ammunition within the meaning of the Ordinance:—Bombs and bomb cases, or any parts thereof; hand grenades and hand grenade cases, or any parts thereof, except such as can be used only for the purpose of extinguishing fires; any fuses which can be used for the purpose of exploding shells, bombs or hand grenades.

A Committee of the House of Representatives in Washington is inquiring into the connection of Mr. J. W. Foster (former Secretary of State) and the late Mr. E. H. Conger (formerly American Minister at Peking) with the payment from the Boxer Indemnity Fund of £70,000 to the heirs of General Ward, who was killed in the Chinese rebellion of 1902. Great influence is said to have been brought to bear upon the Chinese Government to allow the claim made by the Ward family to be paid from the fund referred to.

Major Bertie Clay, of the small Arms Factory, Kitchener, has been seriously maulled by a leopard. The animal managed to gain admittance into the factory by some unknown means and mauled an employee. When the gates were opened in the morning Clay and other officers seized their rifles and hunted the leopard from point to point. The animal was finally wounded and thinking it dead, Major Clay approached it, when the leopard sprang upon him and severely mauled him in the face and head before the other officers could kill it.

SOCIAL AND PERSONAL.

The Hon. Mr. A. M. Thomson has been appointed by His Excellency the Governor to act as Chairman of the Licensing Board during the absence on leave of the Hon. Mr. A. W. Bavin.

His Excellency the Governor has re-appointed Mr. Murray Stewart to be a member of the Medical Board for a further term of three years. Colonel J. M. Irwin, Principal Medical Officer, South China Command, has also been appointed a member of the Board.

The late Engineer Commander Campbell, whose death we recorded yesterday, entered the Navy as Assistant Engineer on July 1st, 1891, was made Engineer Lieut. in January, 1898, and Engineer Commander on January 1st, 1908. He was appointed to E. M. S. Kent on December 16th, 1909, and was about to proceed home after serving a two years' commission on the station.

INTERNATIONAL HYGIENE EXHIBITION.

Grand Prix awarded to Manufacturers of Sanatogen and Formalin.

The worth of "grand prix" depends chiefly upon the character of the exhibition which awards it. In the case of the International Hygiene Exhibition at Dresden, under the patronage of H.M. the King of Saxony, the honour is a genuine one and represents the highest medical opinion in Europe. It is interesting to note, therefore, that the only Grand Prix awarded in the pharmaceutical section at this exhibition has been received, against numerous competitors, by Messrs. A. Walling & Co., manufacturers of the well-known preparations, Sanatogen, Formalin and Alkaloidin.

The British Section, under the patronage of H. R. H. Princess Christian, was organized by the Lord Mayor of London, Sir Vesey Strong, and played a prominent part at the Exhibition where all the nations were officially represented.

MUSCULAR RHEUMATISM. It is worse than useless to take any medicines internally for muscular or chronic rheumatism. All that is needed is a free application of Chamberlain's Pain Balm. For sale by all Chemists and Storekeepers.

THE TIME BALL.

A Premature Drop.

Owing to an accident in the tower the timeball fell about two minutes before one o'clock to-day.

BURGLARY AT FAIRALL AND COMPANY.

Robbers got clear with \$800 worth of Goods.

A burglary was committed at Fairall and Co's premises in Pedder's Street on Thursday night or during the small hours of Friday morning. The robbers made an entry through the front of the building, filing through a big brass padlock and a large door lock. Two shelves and cupboards were ransacked, many rolls of serge and tweeds being taken, though expensive dress materials were left severely alone. From a cash box \$15 were abstracted, but fortunately Miss Fairall's desk was left unmolested. Had the thieves but known, \$400 was in the desk, placed there the night before. Altogether goods estimated in value at between \$300 and \$700 were stolen.

It is said that the watchman on duty next door says he felt the padlock at 4 a.m. and found it secure.

REVOLUTIONIST LEADER AND HIS SWORD.

A native, who stated that he was a revolutionist officer having just come from Canton and being on his way north to join the Rebel army, together with a much older man, whom he said was his feld, appeared before Mr. C. Dick Malbourne, at the Magistrate's this morning. The feld was charged with being in possession of a sword but he said it did not belong to him and he had brought his master along to testify to that fact.

His Worship was of the opinion that a servant could carry his master's arms but Inspector Gordon pointed out that he could not do so unless he had a permit which the feld had not. A similar case had occurred about a fortnight ago when Mr. E. R. Irving had imposed a fine of \$50.

The owner of the sword said that he had papers from the Provisional Government at Canton to carry a sword and he was only passing through the Colony.

"He may have such papers," said Inspector Gordon, "but they are papers of the Revolutionary Government and a government which the British Government does not recognize."

His Worship imposed a fine of \$50 and the sword to be confiscated. His Worship also told the owner that if he wanted the sword back he had better see the Captain Superintendent of Police in whom the discretionary power of returning it was vested.

"THE ECCENTRICS."

Hongkong is to have a treat next week—something new in the theatrical line. On Monday Mr. Fred Coyne's "Eccentrics" are to open a brief season, and from the accounts we have seen of their performances in the South we should say their stay will be a most successful one. The "Eccentrics" as the name implies, are quite out of the common and do not conform to the general concert party rules, that is the beauty of the show, one never knows what is in store. The company is ten in number, four ladies and six gentlemen.

The company includes some splendid vocalists, while as a comedian, who has a wealth of new jokes, Mr. Gillie Potter is hard to beat. Solos, duets, musical sketches and song scenes constitute the main features of the Company's repertoire.

THE WISE MOTHER.

THE most prominent physician in the country cannot produce better results in the treatment of coughs, colds, croup and whooping cough than the wise mother with a bottle of Chamberlain's Cough Remedy. She always keeps it in a handy place and knows where to lay her hands upon it. With a few doses of this remedy she gets the cold under control at its beginning and avoids all danger of serious results. It contains absolutely nothing injurious and is the mothers' favourite all over the world. For sale by all Chemists and Storekeepers.

A GERMAN BOYCOTT.

(From Our Own Correspondent.)

SHANGHAI, Dec. 1.

HAS WUCHANG BEEN RECAPTURED?

It is now reported that Wuchang has not, as rumoured, been seized by the Imperialists, who are prevented from crossing the river by the Revolutionists.

PROCURING THE WHEREWITHAL.

Wong Hing, the rebel leader from Hupai, has arrived at Shanghai in order to make arrangements for the despatch of ammunition to the rebel forces. He also intends going to Nanking in order to secure the services of some of the new-trained soldiers there.

NANKING MAGAZINE EXPLODES.

(Web-Ten Yat Po's Service.)

SHANGHAI, Dec. 2.

On the 30th ult. a powder magazine at Nanking exploded. It is not known whether any lives were lost.

"READY TO DIE."

A body of men who have joined the "Ready to Die" Society, which has branches in Hongkong and Canton, ascended Tze Kam Mountain near Nanking and commenced an attack on an important post outside the city. Simultaneously the Revolutionary warships and troops made an attack from the opposite side. After a whole night's bombardment the position was taken on the morning of the 1st inst.

WESLEYAN METHODIST CHURCH, WANCHAI.

To-morrow will be Missionary Sunday, at the Wesleyan Church, and special sermons will be preached, in the morning at 10.15 by the Chaplain, and in the evening at 6 by the Rev. E. Dewstone of Canton. On Monday, Dec. 4th, a special tea will be arranged in the Church, at 6 o'clock, and thereafter, the Annual Meeting will be held. Mr. A. H. Harris has kindly consented to take the chair. The meeting will be addressed by Mr. Dewstone and others.

ITEMS AT THE COURTS.

A sentence of twelve months' imprisonment was imposed by Mr. C. D. Malbourne, at the Magistrate's this morning, on a native for kidnapping. Fifteen gamblers from No. 72, First Street, were also fined \$3 each. Lance Sergeant P. Grant prosecuted.

The coxswain of the steam launch Kwong Nam was fined \$15, by Commander C. W. Backwith, R.N., at the Marine Court this morning, for refusing to stop when called upon to do so by a police officer. Two masters of fishing boats were fined \$11 each for using their fishing boats other than for the purpose of fishing; throwing cold into the harbour to prevent its being seized and refusing to stop when called upon to do so.

SOMETHING TO REMEMBER.

WHEN buying a cough medicine for children, bear in mind that Chamberlain's Cough Remedy is most effective for colds, croup and whooping cough and that it contains no harmful drug. For sale by all Chemists and Storekeepers.

THE LATE MR JUSTICE GRANTHAM.

TRIBUTES FROM THE BAR.

(Reuter's Service to the China Mail.)

LONDON, Dec. 1.
In the King's Bench Division of the High Court, Lord Chief Justice Alverstone, who was overcome by emotion, highly eulogised Mr Justice Grantham, saying he was a man of great courage and energy, though his splendid qualities were sometimes obscured by his strong opinions.
Sir Rufus Isaacs, speaking on behalf of the Bar, paid a most generous tribute to the deceased's sincerity, honesty and lovable temperament.

BY TELEGRAPH.

THE RUSSO-PERSIAN SITUATION.

(Reuter's Service to the China Mail.)

LONDON, Dec. 1.
Reuter's correspondent at Teheran states that the Mejliss held a secret session for the purpose of considering the Russian ultimatum. Members on being interviewed declared that the Mejliss is opposed to the acceptance of the terms of the ultimatum, and stated that Persia would not be frightened into abandoning her sovereign rights.
The Government last night requested an extension of the time limit, but Russia refused to accede to the request.

ASSASSINATION.

Reuter's Teheran correspondent states that Aliad Dowlat, the ex-Governor of Fars, who was suspected of intriguing for the return of the ex-Shah, has been assassinated. Seven shots were fired at him.

LETTER REPUDIATED.

LONDON, Dec. 2.

Reuter's Teheran correspondent states that Mr Morgan Shuster and the Persian Government alike repudiate the translation and dissemination of the letter to the Times which is declared to be full of mis-statements and obviously calculated to incite the Persians against Russia.

The newspaper 'Citizenship', published at Teheran, acknowledges the translation and circulation broadcast throughout Persia of the letter.

(Note—The Times in an article on Nov. 11th, replied to the letter of Mr Shuster, the American Treasurer-General, which has been caused so much commotion. It says that it published his letter reluctantly, not much owing to any fear of its effect upon informed public opinion, as to concern for its effect upon the Treasurer-General's own position and influence in Teheran. The Times points out that Anglo-Russian interference amounts to control of guardians over a minor, and says that Mr Shuster ignores the fact that Persia is not really an independent country in the full meaning of the word. It agrees that some Russian authorities connived at the ex-Shah's return, but is firmly persuaded that the Foreign Office in St. Petersburg acted most loyally towards Britain and Persia. The paper controverts other statements of Mr Shuster as evidently based upon statements of Nationalists with whom Mr Shuster has thrown in his lot.—Ed. C.M.)

RUSSIANS TO MARCH ON CAPITAL.

The Mejliss has refused the Russian demands, although Sir Edward Grey urgently telegraphed advising Persia to comply.
The Russian troops at Resht have now been ordered to advance to Teheran, the Persian capital.

THE INSURANCE BILL.

PARLIAMENTARY PROCEEDINGS.

(Reuter's Service to the China Mail.)

LONDON, Dec. 1.

In the House of Commons yesterday the report stage on Part I. of the Insurance Bill was concluded.
Mr. Bonar Law protested against the guillotining process and pointed out that 470 Government amendments had not been discussed. The situation was unprecedented in any legislature, and was only comparable to the eve of the French Revolution.

Mr. Lloyd-George said his guillotining was very moderate and was applied with reluctance. It was a copy of that used by the Unionist Government. Most of the amendments were purely drafting amendments and if the Unionists did not accept the Bill as a supposedly non-contentious one they ought to oppose the third reading.
The Unionists walked out of the House in a body, and the amendments were passed in silence.

ANGLO-AUSTRALIAN CRICKET.

QUEENSLAND V. M.C.C.

(Reuter's Service to the China Mail.)

LONDON, December 1.
In hot weather and on a rather fast wicket and in presence of a small attendance, the match between the M.C.C. and Queensland was commenced. Queensland batted first and tottled 290. Hartigan made 59 by vigorous cricket but was lucky, and Jennings made 91, his timing being perfect. He was at the wickets for 132 minutes, scoring 14 fours. Marylebone were 62 for the loss of two wickets when stumps were drawn.

They will be armed with ten 13-inch guns throwing 14,000 pounds weight of metal compared with the Dreadnoughts eight 12-inch guns throwing 6,800 pounds.
